HIGHER

Course held in Bath, Cambridge, Oslo, Amsterdam, Perth (Australia) and Nairobi.

If you are looking to become an executive coach or consolidate your coaching skills, this is the course for you and provides the final training for International Coach Federation and Association of Coaching accredited programmes.

Participants are then able to apply for professional membership of both or either. Invest in this programme to continue your training and gain an accredited coaching qualification from the Association for Coaching (AADCT) and the International Coach Federation Accredited Coach Training Programme (ACTP).

It also provides you with iWAM certification to use a psychometric questionnaire to decode conversations and understand motivational and communication preferences.

COMPLETING THIS COURSE

equips you with the tools and capabilities to coach at the highest levels with an understanding and practical application of executive coaching, creative coaching techniques, psychometrics, team coaching, mentoring and coaching supervision. The course also helps develop the value of your interpersonal skills and allows you to become an effective professional coach, at the same time as gaining recognisable accredited qualifications.

During the program you will

- Be continually observed and assessed in their coaching technique by peers and experienced coaches using clear criteria
 - Observe and assess peers in their coaching and use coaching to aid the planning and development of a personal learning programme
 - Gain mentoring and supervision
 - Reflect on their practice and learning through written assignments
- Course Content:

Course Content

- Coaching the 'self' and transforming your coaching skills
- Coaching teams and groups
- Using metaprogramme assessments to elicit client preferences and motivational needs
- Supervised advanced practice
- Mentoring and coach mentoring skills
- Introduction to coaching supervision
- Assessment for the full ICF ACTP and AoC AADCT

Course schedule

This intensive course is run over 10 days. It is possible to attend modules separately and get ICF CCEUs and then make up your full qualifications

MODULE 01

Professional Coach Development, Planning, Team Coaching, and iWAM certification.

MODULE 02

Mentoring skills, Introductory Supervision for Coaches, NLP Practitioners and Therapists and Final Assessment.

EVERY DAY

Each day will run from 9.30am - 6.00pm (latest) with coffee breaks and 1 hr for lunch. All refreshments are provided.

GROUP SIZES

Group sizes are limited to ensure that each delegate receives individual attention and feedback from the trainers. All participants receive individual mentoring and supervision on their written assignments to ensure learning continues after the practical elements of the course

There will be observed coaching practice on each day.

You will be provided with a comprehensive resource pack and full versions of psychometric questionnaires for practice with clients, you just need to bring yourself and your curiosity!

There are 2 written and 1 practical assessments and a requirement for a log of 100 coaching hours. After successfully graduating from this course, delegates will be able to apply for professional credentialing through the ICF as graduates of an Accredited Coach Training Programme and/or through AoC as graduates of an Accredited Advanced Diploma in Coach Training.

We are happy to provide successful graduates with references where required. You will also become certificated as an iWAM facilitator.

“ All the facilitators were first class and kept super flow to the course. They are obviously very passionate about the world of coaching, its reputation and future and all potential candidates can rest assured courses with Neurominds will deliver the highest quality of instruction and professionalism. ”

Paul Andrew – Royal Navy

Designed by award winning, qualified and credentialed coach, Dr Sally Vanson & Douglas De Souza and supported by professional ICF and post graduate qualified trainers.
